VOICES BEYOND LABELS

FROM EXPERIENCE TO LEADERSHIP

Young people are often exploited, misunderstood or unheard.

Are you a young person affected by crime, violence, exploitation or an unsafe environment?

Are you a parent, caregiver or professional supporting young people?

#VoicesBeyondLabels

Your voice. Your ideas. Your future.

You are more than what happened to you. Voices Beyond Labels offers space to connect, build confidence and help shape the messages that matter to you.

Who can join?

Young people aged 16-18 in the UK, Netherlands and Austria affected by, or at risk of, criminal exploitation and violence, including gang recruitment or pressure to carry out criminal activities.

What can you take part in?

Supported listening circles, online learning and mentorship. Explore safety, creative expression and leadership with trained facilitators.

How can you contribute?

Art, poetry, music, writing, audio or video: choose the format that feels right for you. You can also help shape campaign ideas without sharing your personal story.

Your story stays yours

You choose what to share. Anonymous contributions are welcome. Public storytelling is optional. Ask us about language or access needs.
